Dear Parents and Carers,

Since our school closed its doors to all pupils on Friday 20th March, we have continued to provide daily Emergency Care to pupils of key workers and those deemed to be vulnerable each week.

During the half term week we will be closed to all. During week beginning 1st June we will be open and will be providing daily Emergency Care to pupils of key workers and those deemed to be vulnerable. During that same week we will prepare all classrooms for the safe return of more pupils from Monday 8th June.

It is important that you contact us this week if you believe you are entitled to Emergency Care.

During week beginning 1st June we will contact those parents of children in Year 6, Year 1, Reception and Nursery who have indicated they would like their child to return to school. You will be informed which adults your child will be with, which classroom they will be using, where to drop-off and collect from and the start and end of the day times for your child as these may be staggered throughout the day. Please note not all staff are available to work due to shielding, self-isolating or following union guidance.

Kind Regards,

Mrs N J Kearney

Executive Headteacher Mrs N Kearney
